

Sarid Ditton is the Director of Marketing and brings 14 years of experience as a Marketing/Digital Marketing specialist with proven consistency in developing and executing successful outbound/inbound marketing strategies. Sarid believes in sustainability and efficiency within aquaculture and is inspired by creating positive change for the environment. Her passion for the ocean and innovation, make her an ideal community builder and business storyteller here in Hawaii. Sarid grew up in Kailua-Kona, where she now resides with her family. As an avid surfer and swimmer, she enjoys being in the ocean as much as possible.
